Re: Being denied medical care by C.M.S. in various ways.

OFFICIAL NOTICE

January 8, 2008

To Above-mentioned Parties:

On September 17, 2007, I had to be transferred to Kent General Hospital and returned on the 22nd with orders to be sent to a Gastrologist which occurred September 24, 2007, where that Dr's office ordered tests which until this current day they (CMS) have failed to perform and send me back.

On October 5, 2007, I saw Dr. Kaudusen who was supposed to order testing for M.R.S.A. and bacterial Meningitis, along with my Liver biopsy which none of these occurred.

On December 8, 2007, I filled out a sick call slip and saw 2 nurses on the 12th who said they were going to put me in to see the Dr. which I have an infection on my left leg,

I'm experiencing a spread of the infection which might be another case of M.R.S.A. getting ready to go into my blood stream again.

Relief: That upon receipt of this letter I be transferred to an outside hospital immediately to receive adequate medical care and necessary tests; finally my Liver biopsy performed after I'm declared healthy enough to have it performed.

Respect fully,
William Joseph Webb Jr.
